

SOLID LOTION OR PERFUME BAR BASIC FORMULATION

Yield: 3 ounces

Ingredients:

2 ounces Shea or Mango butter (or any other natural butter)

1 ounce Beeswax

2-4 drops Essential Oil

Directions:

Melt the butter and beeswax over low heat in a double boiler. Remove from heat and allow to cool slightly. **DO NOT ALLOW MIXTURE TO SOLIDIFY.** Incorporate essential oil into mixture. Pour into containers or molds quickly and allow to harden.
